

CLASSROOM

news

THIS WEEK IN 6TH GRADE:

Thank you for meeting with me at Parent-Teacher Conferences! It was good to check in with everyone.

I did not get around to it last week, my apologies, but I will be sending out a SignUpGenius for the parties we will be having this year. Please sign up for one party! More information will be given on the SignUp.

Please remember to send items for our OU basket! I have received some already, but we are still needing more. Please send those by Tuesday, October 22 with the amount spent on the items so we can get a base value of the basket. Amanda has offered to put together our basket. Thank you!

The sixth graders will also be serving during the lunch shift at the Hamburger Fry. They will not be required to serve during any other time (but are welcome to if they'd like).

I hope everyone has a wonderful and restful Fall Break!!

Monday, October 14, 2024
