Newsletter

May 7, 2024

Dear Parents,

Thank you for making teacher appreciation week so special for everyone last week. The teachers enjoy being spoiled. It was very much appreciated.

Although the track meet was hot, I want to say thank you to all the parents, grandparents, etc. who came and supported WOCS. It was a fun day. Thank you to Coach House for organizing all the activities and getting it ready and to the teachers for making sure their classes got to their events.

Graduations are set for this week. Elk City 6th graders will graduate on May 7 @ 6PM at the campus gymnasium in Elk City. Clinton 6th graders will graduate May 9 @ 6PM in the CBA gymnasium. Fifth grade parents need to serve at the reception for the graduates to free up 6th grade parents. Dress code for all graduates: Sunday dress for the girls and collared shirt and dress pants for the boys.

Achievement test scores will be sent home this week. Our students did very well again this year.

Every campus will have an awards assembly this week. Please check with your campus for time and dates.

We need some teachers at the Elk City and Weatherford campuses for next year. If you know someone, please let your campus know.

Please join me in praying for 190 students for next year.

This is my last note for the school year. Please send Tuesday folders tomorrow. Have a blessed summer. See you in August.

Blessings,

Dora Miller

There will be summer workdays at your campus this summer to get ready for the upcoming school year. Be looking for announcements via email on when those will be scheduled.
